Mekong River Commission
For Sustainable Development

VACANCY ANNOUNCEMENT

The Mekong River Commission (MRC) is the only inter-governmental agency that works directly with the governments of Cambodia, Lao PDR, Thailand and Viet Nam on their common specific interests, joint management of shared water resources, and sustainable development of the Mekong River.

As a regional facilitating and advisory body governed by water and environment ministers of the four countries, the MRC aims to ensure that (a) the Mekong water is managed and developed in the most efficient and sustainable manner that mutually benefits all Member Countries and (b) minimize harmful effects on people and the environment in the Lower Mekong Basin.

Besides the competitive salary and benefit package, the MRC offers a challenging and rewarding international working environment where staff members have opportunities to be exposed to multi-dimensional development disciplines, interacting with regional and international colleagues and partners, as well as receiving capacity and professional development in regional and international meetings, forums and conferences. Many professionals have secured excellent employment positions after their service with the MRC.

The MRC Secretariat is now recruiting highly qualified candidates for the following positions of:
